

Our 2nd meeting at The Beaufort Arms, Hawkesbury Upton went so well with 16 of us enjoying lunch in good company we have decided to have our Christmas Lunch there on Wednesday 15th December 12-12.30. If there are enough people who cannot make 15th or a Wednesday I am prepared to split it if an alternative day/date can be agreed upon and The Beaufort Arms can accommodate us. The menu is available on request from the group leader or on the Beaufort Arms website which includes traditional festive fare as well as vegan, vegetarian and gluten free fare. This venue has been selected as, not only is the food of excellent quality with generous portions, but also offers great value for money and good service. They also cater for smaller appetites which most venues in the Tetbury area don't do. The maximum you will pay for the festive menu is £24.50 pp. If numbers exceed dining area capacity we can roll it over onto different days. Pre-ordering will be necessary by the end of November for the 15th December meal. Unfortunately I cannot accept bookings for the 15th after the end of November. If you have no transport or prefer not to drink and drive I will do my best to arrange lifts. Come and join our group if only for the Christmas lunch, you never know, you may enjoy it.
