

The Golf Group is a new group formed in 2021 and is aimed primarily at people who are either new to Golf or perhaps returning to the game now that they have more spare time. We hope to facilitate U3A members to play with other U3A members at local 'pay and play' golf courses without having to commit to becoming a Golf Club member if they don't wish to make that level of commitment.

Whatever your level of Golf ability, if you are interested in finding out more please contact Martin Doidge at golf@tetburyu3a.org.uk
