

BOULES

Boules, or Petanque, is a fun and social game well known to those who visit France or Spain. It can be taken seriously, as witness the regional competitions all over Europe, or light heartedly, between a good gossip and a drink or two. The Tetbury u3a Boules group doesn't take ourselves too seriously, so the atmosphere is definitely light and friendly, with many of us taking up the game since retirement. If you've never played the game before don't worry about that - we can explain the simple rules and have spare boules to get you started!

We aim to play every week throughout the year alternating between The Red Bull at Malmesbury and The Royal Oak in Tetbury but this is weather-dependent during the winter months.

Do please contact the Group Leader at boules@tetburyu3a.org.uk or on 07717 061479 if you are interested in joining the group and they can confirm the next meeting venue and date.
